## Fairtrade Fortnight 26<sup>th</sup> February – 11<sup>th</sup> March

Choosing to buy Fairtrade products offers farmers and workers in developing countries a better chance to work their way out of poverty, through fairer wages, safer conditions at work and a little extra, called the Fairtrade premium, to invest in projects to improve life for their whole communities.

### Little steps add up to big changes

There is a lot of support all over the UK and beyond for Fairtrade, people in their everyday lives, doing what they can to put fairness first, at home, at school or in their work life. But there is a need to reach more farmers and workers and their families struggling to survive. Your step for Fairtrade can be as simple as trying a new Fairtrade product. Every single step counts, because together they lead to life-changing projects in developing countries.

The target is 1.5 million steps by the end of Fairtrade Fortnight. You can add your own step at: <http://step.fairtrade.org.uk/>

You can order Easter Eggs made of fairly traded chocolate (and mentioning Jesus on the box) at: [www.realeasteregg.co.uk/](http://www.realeasteregg.co.uk/) or from Traidcraft.

Easter eggs cost £3.99. Last year over 70,000 of these eggs were sold.
